

Why Choose Lenahan & Dempsey?

By Attorney Brian Lenahan

Attorney Brian Lenahan

That's a great question and as you can guess, one we are very eager to talk about. There's a long list of reasons why you should call Lenahan & Dempsey following a serious injury. We have a long history as a law firm that is highly aggressive getting those who have been seriously injured the money they deserve following an accident. If you or a loved one has been seriously hurt, here are just a few reasons to call the Lenahan & Dempsey office closest to you:

1. Lenahan & Dempsey is one of the largest law firms in the region, if not the largest, that concentrates its' practice in helping the seriously injured.

Think about this for a minute. When you are injured and need to file a law suit or negotiate a settlement you are more than likely going up against all of the resources that a large insurance company can bring. A large law firm such as Lenahan & Dempsey has the lawyers, the access to expert witnesses and the in-house support staff needed to aggressively protect your rights. We also deal with insurance companies every day - and they know we will dedicate all of our resources to protecting the interests of our clients.

2. Look at the Settlements & Verdicts we have obtained for our clients.

A small sample is available at www.LenahanDempsey.com. Now I must tell you the facts of each case are different and lawyers are required to tell you that past performance is not a guarantee of any future outcome, but at Lenahan & Dempsey, we are very proud of our 65 year history of aggressive representation of our clients.

3. Lenahan & Dempsey has fought and won for our clients in local Courts, Federal Courts - even Courts as far away as Arizona. We have even been successful arguing cases before the United States Supreme Court.

This shows both the human resources of our firm, as well as our financial resources to take on large complex cases. We can handle such cases and we have been doing so for the past 65 years. At Lenahan & Dempsey, we will go where ever needed to aggressively protect our seriously injured clients.

If you do not see a particular area of the law you need assistance with, call us toll free at 1-888-LENAHAN (1-888-536-2426).

5. The Call and The Consultation Are Free - There's never a fee unless we are successful for you. Also, there are no upfront costs to you.

When we represent your interests in a legal action, we put our resources to work to aggressively protect your interests. At Lenahan & Dempsey, we carry the costs of investigating your case to gather evidence. We carry the costs of bringing in expert witnesses such as physicians, engineers and other specialists needed to help you get the settlement or verdict you need. These fees can quickly add up to cost hundreds of thousands of dollars. Lenahan & Dempsey takes on those costs so you won't have to. We never take a fee unless we are successful in getting you the money you deserve.

There's another important reason to use Lenahan & Dempsey - and that's the fact you don't simply engage a lawyer at our firm - you tap into everything our Firm has to offer - and we keep you informed every step of the way.
