

Lenahan & Dempsey Named As One of The Top Personal Injury Law Firms in U.S.

Once again, Lenahan & Dempsey has been named one of the top Personal Injury Law firms in the United States for their work helping seriously injured people across Northeastern and Central Pennsylvania as well as the Lehigh Valley.

The ranking comes from a joint effort from U.S. News and World Report and Best Lawyers in America to rank more than 11,000 firms across the United States. Less than 1% of the firms received a “Best Law Firm Ranking,” and the honor for Lenahan & Dempsey went further. The Firm achieved a highly prestigious **Tier 1 Ranking**, the highest possible honor. The publications divide up the state placing Lenahan & Dempsey in the Allentown region - a region that covers all of Northeastern and Central Pennsylvania as well as the Lehigh Valley.

“This is the fourth consecutive year we have been honored as a Tier 1 Best Law Firm in the United States,” said Timothy Lenahan, managing partner at Lenahan & Dempsey. “The fact this honor comes from what our clients, competitors and other law firms have to say about the quality of our work is humbling.”

For the first time, this year’s rankings also included 4.9 million evaluations of 50,834 individual leading lawyers from across the United States to find the top law firms. Firms under consideration for the honors were also asked to supply information on Settlements and Verdicts as well as other data that spoke to the strengths of a firm’s practice. This is the latest in a long series of honors enjoyed by Lenahan & Dempsey. For 2014, the Firm has three of its members listed in Best Lawyers in America - Attorneys John R. Lenahan, Jr., Joseph P. Lenahan and Timothy G. Lenahan. Attorney Timothy Lenahan is one of only a few lawyers who enjoys Best Lawyer status in two separate practice areas. He has been honored for his work in the field of Personal Injury Law as well as Insurance Law. Timothy Lenahan has long been recognized as a leader in the field of Insurance Bad Faith. He was both trial and appellate counsel in a landmark case which paved the way for many bad faith claims to be brought in courtrooms across Pennsylvania. These cases helped to protect the rights of those who had been seriously injured, or their families, when they were not treated properly by an insurance company.

Lenahan & Dempsey maintains offices throughout Northeastern and Central Pennsylvania. You can find out more about the firm by visiting www.LenahanDempsey.com. New Television Commercials Highlight Millions Won for Injured Clients

With a practice area that reaches across the entire state of Pennsylvania and far beyond, Lenahan & Dempsey has long used television commercials to inform potential new clients of their rights and what the Firm can do to help following a serious personal injury.

The Firm has just rolled out three new television commercials that highlights the millions of dollars Lenahan & Dempsey has won on behalf of the seriously injured. “Settlements and Verdicts are among the best yardsticks a seriously injured person can use when learning about a law firm,” said Attorney Joseph Lenahan. “While we have won millions for our clients, some of our largest settlements are covered by confidentiality agreements which prohibit us from speaking about them. Those we list on our website are a good sampling of our work on behalf of the seriously injured.”
