Best Lawyers in America has released their annual ranking of law firms across the nation, and they have named Lenahan & Dempsey a Tier 1 Law Firm for Personal Injury. Tier 1 is the highest possible ranking. *Best Lawyers in America* teamed with U.S. News Media Group to survey 4.3 million clients and other lawyers to review almost 69,000 leading lawyers across the United States.

“The ‘Best Law Firms’ rankings are now in their third year, and the reaction to the rankings from the legal profession and from legal clients continues to be very gratifying,” says Steven Naifeh, president of *Best Lawyers*. “Because we combine hard data with peer reviews and client assessments, more and more clients inform us that ours are the most thorough, accurate, and helpful rankings of law firms ever developed.”
